

Know Your Bylaws

The National Bylaws is the guiding document of the Veterans of Foreign Wars Auxiliary. In it, you will find:

- The Objects of the organization (similar to a mission statement).
- The eligibility criteria.
- Your rights as a member.
- The structure of the organization.
- All the rules compiled over the years by vote of the Delegates.

We encourage you to purchase a copy annually (they change each year) and familiarize yourself with the different sections. Need to know the responsibilities of an officer position? It's in there. Want to know how to become a voting Delegate? Find it easily. Curious about the different meeting types and the traditions of the organization? Look in the Ritual section.
